

Milford B. Hatcher Visiting Professor

Macon Surgical Society

Endocrine Surgery Update:

Controversies and Developments

Wednesday, March 16, 2016

6:30pm - 8:30pm

Trice Auditorium

Objectives: To acquaint the audience with the current "state of the science" as it applies to the practice of endocrine surgery; To explain emerging technologies, focusing on their proper applications and weaknesses.

RSVP to (478) 633-1891

2016 Milford B. Hatcher Lecture

Controversies in the Surgical

Treatment of Biliary Dyskinesia

Thursday, March 17, 2016

7:30 am - 8:30am

Eversole Auditorium

Objectives: To explore the history of the diagnosis/treatment of biliary dyskinesia; To explain the gaps in the literature that have served to make this diagnosis so controversial.

Brian Richmond, M.D., MBA, FACS
Professor of Surgery and Section Chief
West Virginia University/Charleston Div.
Charleston Area Medical Center
Charleston, West Virginia
