

Department of Surgery Trauma Grand Rounds

Pelvic Ring Injuries

Thursday, June 25, 2015

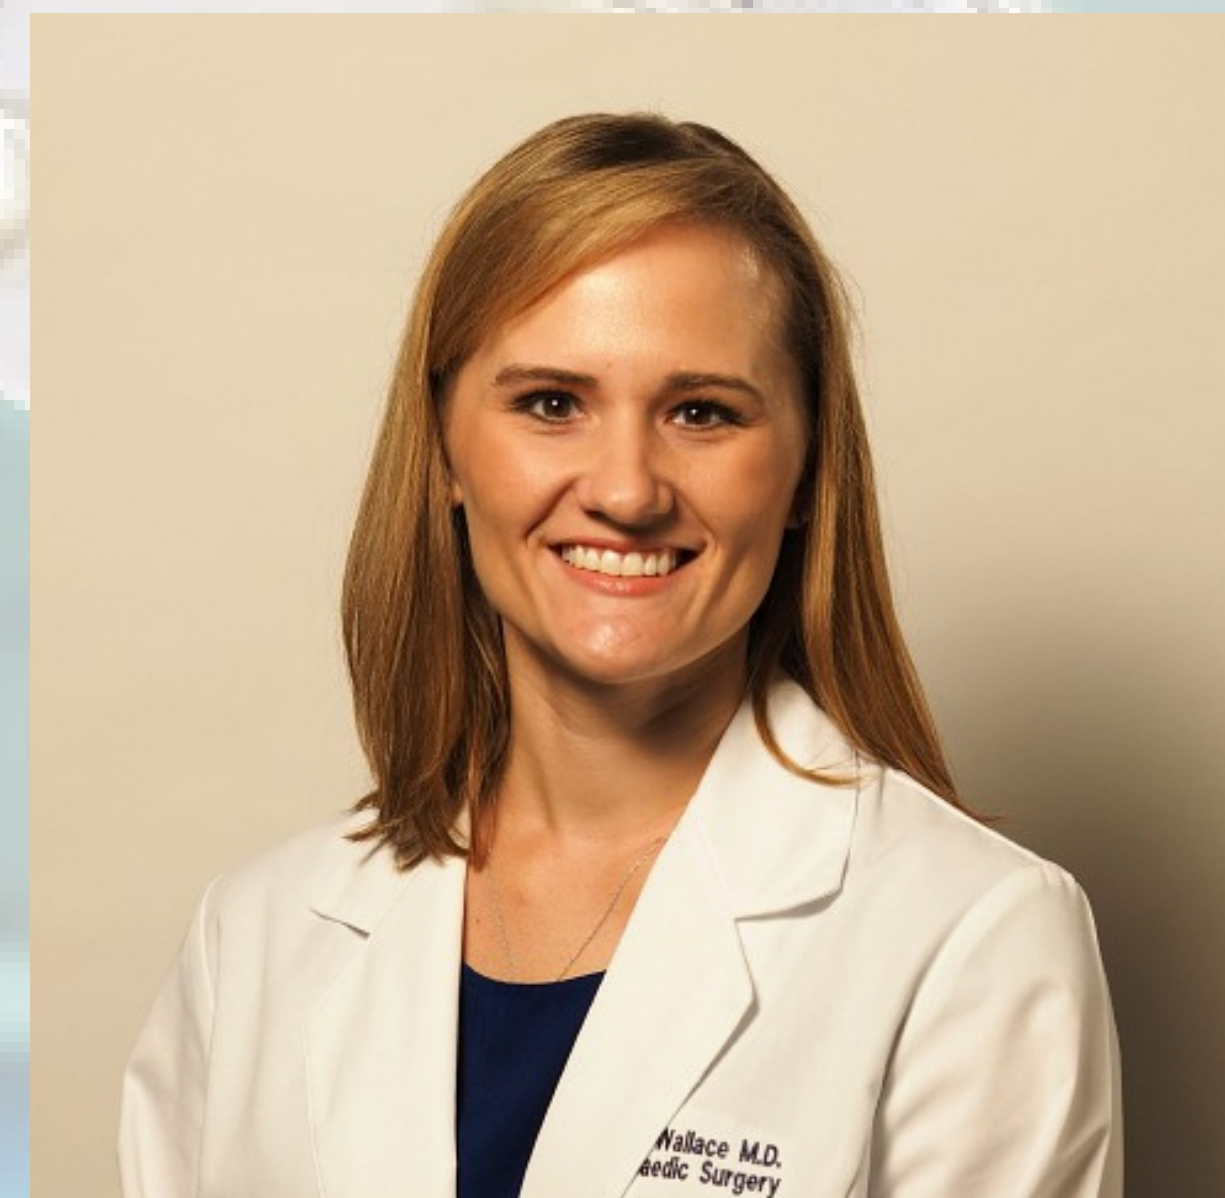

7:30 am - 8:30 am

PAHEC, Trice Room 8

The Medical Center, Navicent Health
877 Hemlock Street, Macon, Georgia

Objectives:

To review the classification system for pelvic ring injuries and understand the mechanisms responsible for each type; To identify the most common concomitant injuries associated with each type of pelvic ring injury; To understand the purpose of a pelvic binder and which injury types benefit from its application.

Anna Wallace, M.D.
