

Milford B. Hatcher Visiting Professor

Macon Surgical Society

Acute Care Surgery: The Future of Civilian Trauma Surgery?

Wednesday, April 15th

6:30pm - 8:30pm

Trice Auditorium

Objectives: To discuss the challenges facing the specialties of General Surgery in 2015; To define the new specialty "Acute Care Surgery"; To discuss the current Acute Care Surgery curriculum as described by the American Association for the Surgery of Trauma.

RSVP to (478) 633-1891

2015 Milford B. Hatcher Lecture

A Decade of Damage Control

Resuscitation

Thursday, April 16th

7:30 am - 8:30am

Eversole Auditorium

Objectives: To define damage control resuscitation and describe the current recommendations for transfusion ratios in patients requiring massive transfusions; To describe the current understanding of coagulopathy associated with severe traumatic injury; To describe several current predictive algorithms that can be used to predict the need for massive transfusion.
