

# Department of Surgery Grand Rounds

## Directed Energy Surgery

**Thursday, November 20, 2014**

**7:30 am - 8:30 am**

**Joseph W. Eversole Auditorium**

**The Medical Center, Navicent Health**

**777 Hemlock Street, Macon, Georgia**

### **Objectives:**

Describe the new technologies such as robotics and simulation, which are improving the training and practice of surgery and the maintenance of certification and how to implement them into daily practice; Discuss how the emerging technologies in the laboratory, such as energy-directed surgery, nanotechnology and tissue engineering, will require a fundamental change in the practice of surgery; Analyze how the moral and ethical implications of advanced medical technologies will impact on the behavior and future course of individuals, society and human kind.

**CME:**

**Accreditation**

The Mercer University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians

**CREDIT:**

The Mercer University School of Medicine designates this live educational activity for a maximum of 1 AMA PRA Category 1 Credit(s).
