

Milford B. Hatcher Visiting Professor

Macon Surgical Society

**From Resident to Independent
Physician: Transition to Practice**

Wednesday, May 8th

6:30pm - 8:30pm

Trice Auditorium

Objectives: To define the process from resident to independent physician transitioning into a clinical medical practice; to recognize the current changes in transition to practice; to achieve a clear idea of the latest process of transition from resident to independent physician.

RSVP to (478) 633-1891

2013 Milford B. Hatcher Lecture

**Management of Complex Small Bowel
Crohn's Disease**

Thursday, May 9th

7:30 am - 8:30am

Note Location: Trice Room 8

Objectives: To recognize the clinical and histopathologic characteristics of Complex Small Bowel Crohn's Disease; identify the current indications, management and surgical treatment of Complex Small Bowel Disease, inclusive of modern bowel sparing procedures; develop a clear idea of the management and surgical strategy to apply in complex cases of Small Bowel Crohn's Disease.
